WALKAROUND

21WAe • 21WAs • 23WA • 25WAe

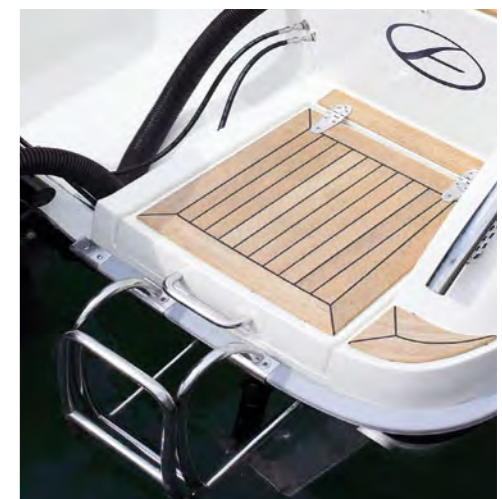

21WAe

AQUADOR 21 WALKAROUND evolution

Every inch of this versatile walkaround delivers on our promise to strive for perfection in everything we do. The roomy cockpit, sheltered by an effective wrap-around windshield and crowned by a smart Targa-bar, features snug swivel seats, ample grabrails and high-traction deck surfaces, making this purposeful boat ideal for fun-loving youngsters who crave excitement or mature couples who savour leisurely cruising.

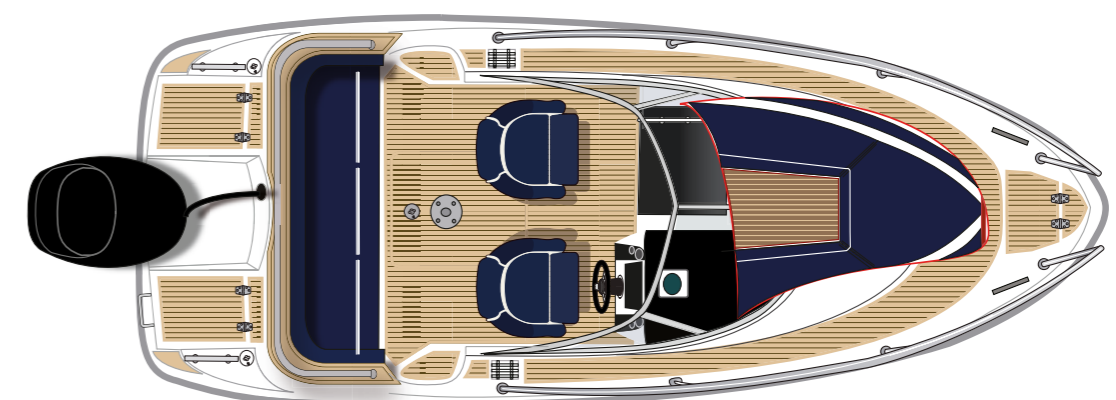

21WAe

TECHNICAL SPECIFICATIONS

									
6.34m	2.49m	1350kg + engine	202l	-	0.79m	100-250hp	2	C	6

For more detailed information, see www.aquadorboats.fi

21WAs

AQUADOR 21 WALKAROUND sterndrive

This superbly responsive walkaround is great for an exhilarating ride on the waves or a tranquil cruise on inland waterways. Its wrap-around windshield shelters all six passengers from wind and splash water; and should the weather turn nasty, the cockpit canopy can be assembled in a jiffy. The boat features a secure walkaround deck, good-sized berths for two, and helm seats that swivel for a cosy picnic when at anchor.

23WA

AQUADOR 23 WALKAROUND

Ever ready to take our development to the next level, this highly-adaptable walkaround is a supreme example of Aquador's dedication to safe and easy all-round movement when underway and during the docking and anchoring procedures. The generous, well-sheltered cockpit, excellent driveability and abundant features of the sporty 23WA make it perfect for a young family on a weekend excursion or for fishing buddies with loads of gear.

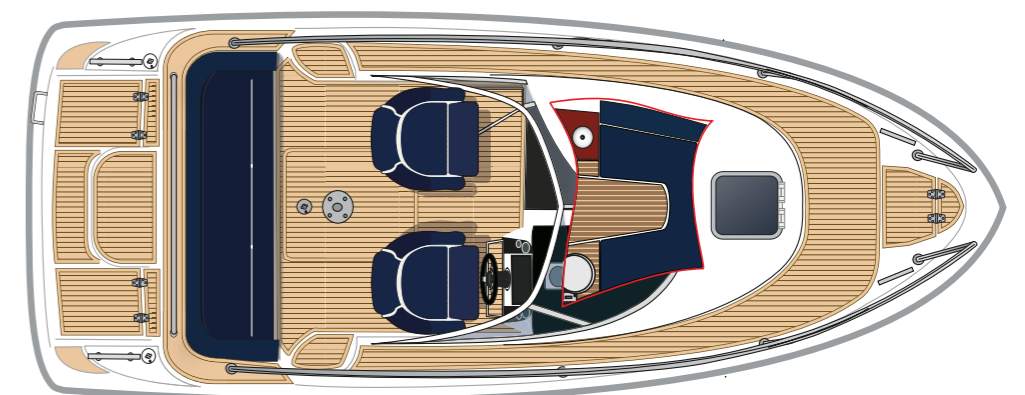

23WA

TECHNICAL SPECIFICATIONS

25WAe

AQUADOR 25 WALKAROUND evolution

The striking contours and spacious cockpit of this fast multi-role craft add greatly to its universal appeal among boaters of all ages. The boat's ample deck space, enhanced by a sizeable swim platform and adaptable rear bench, can readily accommodate eight passengers, making it terrific for partying, fishing or unabashed indolence under the sun. The sleek hull responds quickly to high speed and is stable in a heavy swell.

DAYCRUISER

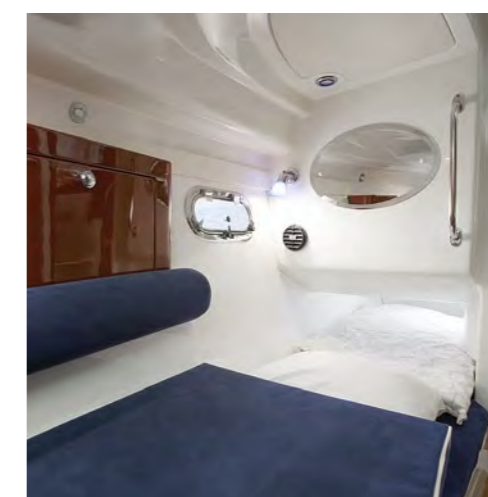

23DC • 26DC • 28DC

23DC

AQUADOR 23 DAYCRUISER

The only true rival of this well-appointed day cruiser is its predecessor. Its generous cockpit can readily handle six adults for daycruising or a small family for comfortable overnighting. Stable and safe at all speeds, this sleek boat is noted for its superb handling. It features a bow-thruster for easy docking, a stylish Sunbrella quick-fix canopy that fully encloses the cockpit and bags of potential should you wish to customise.

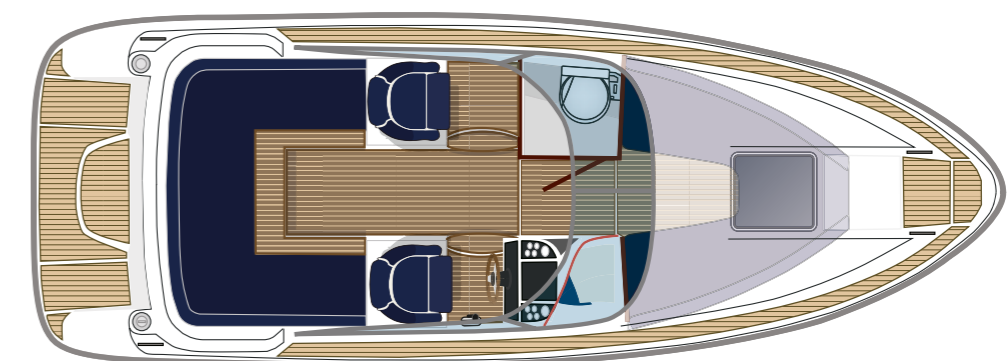

23DC

TECHNICAL SPECIFICATIONS

For more detailed information, see www.aquadorboats.fi

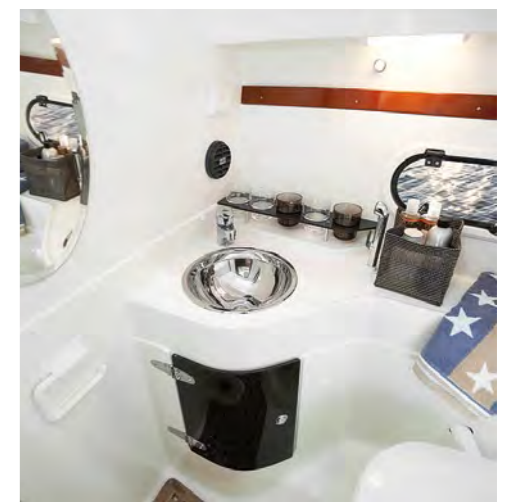

26DC

AQUADOR 26 DAYCRUISER

A clever blend of innovative design, cutting-edge technology and traditional craftsmanship, the 26DC is typical of Aquador's pragmatic good sense and clear thinking in space utilisation. The performance of its truly imposing hull brings to life the enjoyment and freedom of the open sea, providing a smooth, stable ride for a complement of seven. This striking daycruiser is perfect for lengthy excursions or weekend hops along the coast.

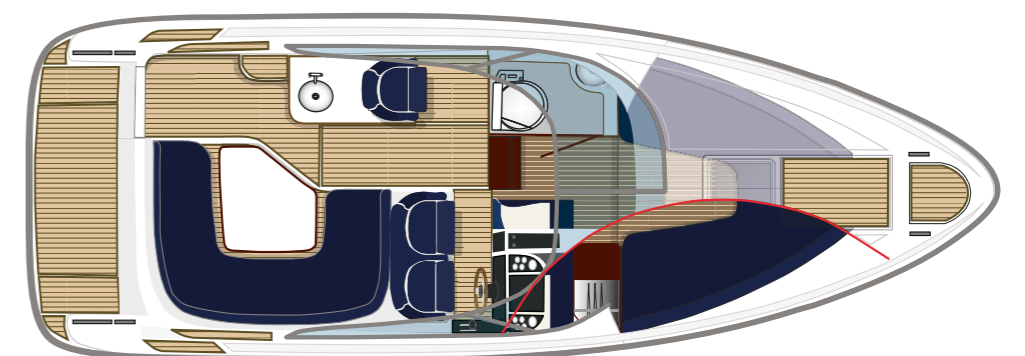

26DC

TECHNICAL SPECIFICATIONS

									
8.25m	3.05m	2900kg + engine	365l	60l	0.90m	230-370hp	4+2	C	7

For more detailed information, see www.aquadorboats.fi

28DC

AQUADOR 28 DAYCRUISER

The eye-catching 28DC admirably combines a high-performance hull with a bold design. Perfectly balanced between looks and sporting intent, the boat's handling in all weathers leaves competitors far in its wake. Indeed, everything about this daycruiser is first-rate, making for gracious living at anchor and when underway. The boat features a generous swim-platform, a secure walkaround deck and a great fore-deck for sun worshippers.

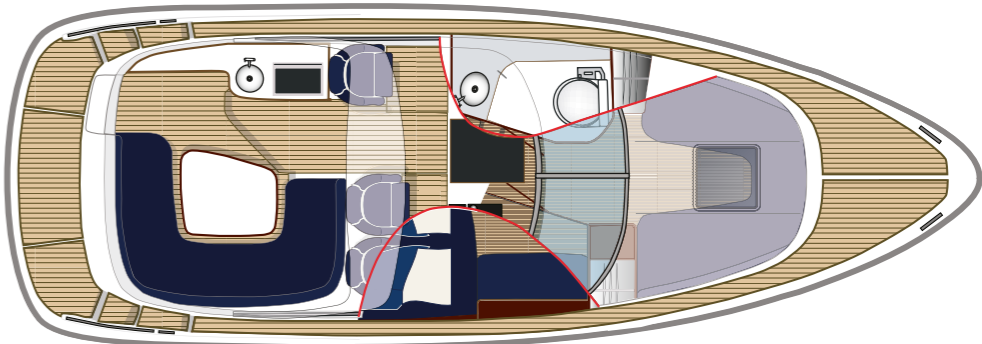

28DC

TECHNICAL SPECIFICATIONS

HARDTOP

23HT • 26HT • 28HT • 33HT

23HT

AQUADOR 23 HARDTOP

Packed with features more common on bigger boats, this elegant multi-role hardtop perfectly exemplifies Aquador's dedication to style, performance and common sense solutions. The well-appointed interior, fine-tuned to meet the highest of expectations, makes it great for pampered cruising or simply relaxing at anchor. Generous windows provide all-round visibility and added safety when manoeuvring.

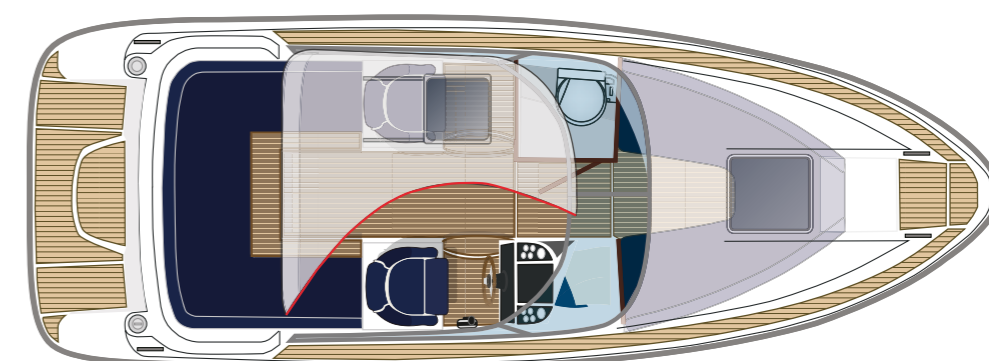

23HT

TECHNICAL SPECIFICATIONS

									
7.15m	2.56m	1900kg + engine	200l	42l	0.85m	190-270hp	3+2	C	6

For more detailed information, see www.aquadorboats.fi

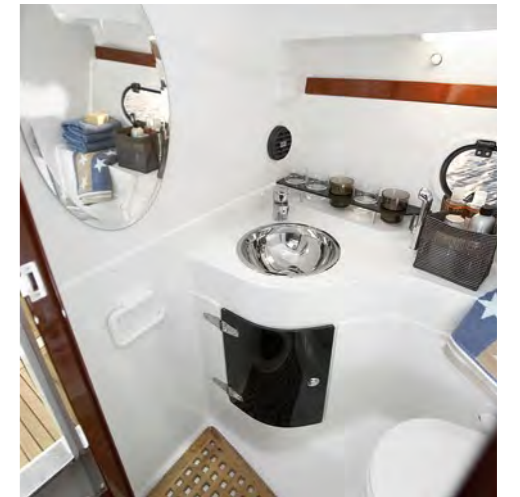

26HT

AQUADOR 26 HARDTOP

Loaded with outstanding amenities and utterly modern, this immaculate hardtop perfectly exemplifies Aquador's eternal quest for perfection. The clever use of interior space, safe and easy access above and below deck, and a stable hull make on-board living agreeable and cosy in all weather conditions. Such attributes add greatly to the boat's ever-growing appeal, making it a serious choice for boaters who relish longer excursions.

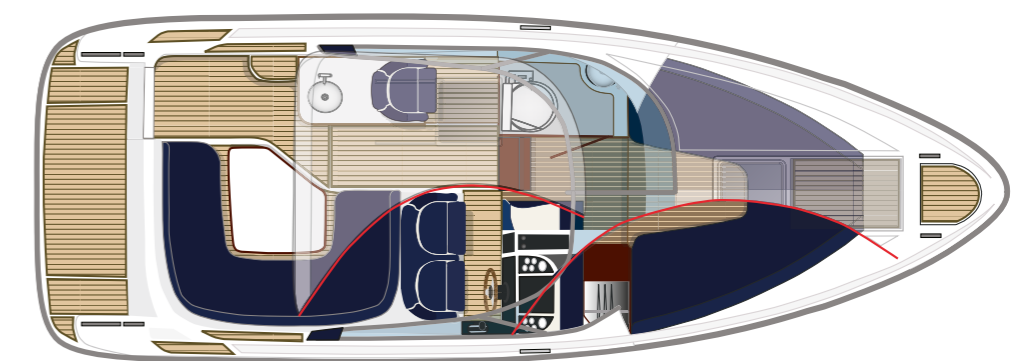

26HT

For more detailed information, see www.aquadorboats.fi

28HT

AQUADOR 28 HARDTOP

For those who value self-reliance, this elegant, yet pragmatic, multi-role hardtop is a great choice for safe, independent cruising. Successfully blending good looks with stability and performance, the award-winning 28HT is well-equipped to accommodate six passengers for extended cruises. Features include unimpeded all-round visibility, ample hatches, portholes that open, and a secure walkaround deck with sturdy grabrails.

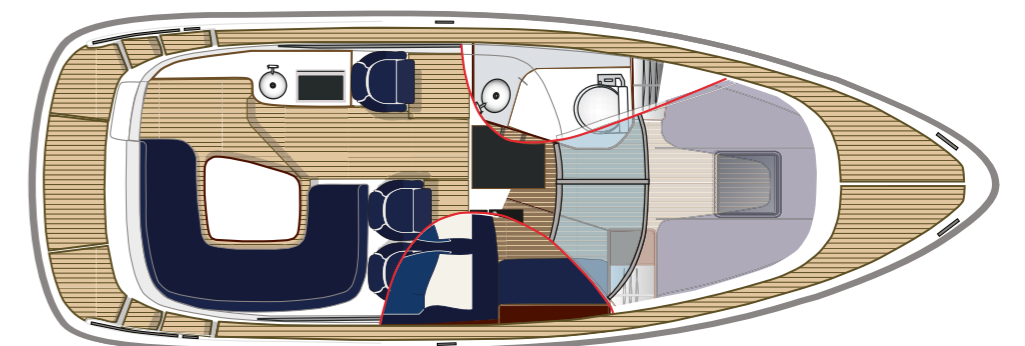

28HT

33HT

AQUADOR 33 HARDTOP

The powerful and commodious 33HT redefines the whole concept of safety and boating comfort at sea. Loaded with premium features, this prestigious craft uniquely blends the attributes of both hardtop and walkaround boats and can easily accommodate a large party on long excursions. The boat's stable hull and dynamic performance greatly enhance its inshore-offshore capabilities.

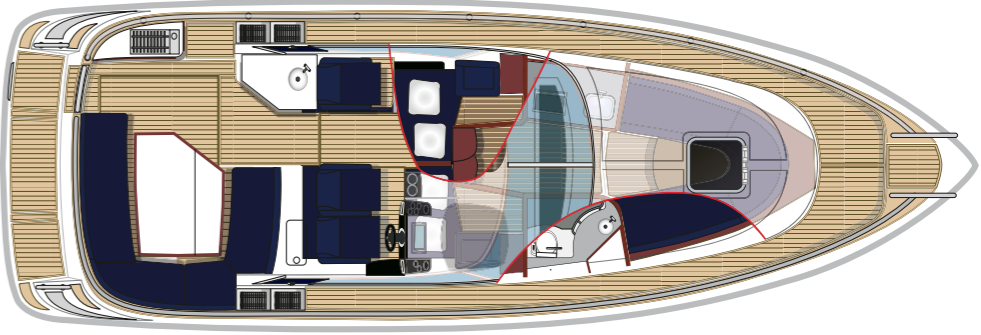

33HT

CABIN

22C • 25Ce • 28C • 32C • 35C

22C

AQUADOR 22 CABIN

The smallest Aquador with a fully-enclosed cabin, the impressive 22C incorporates a surprising number of features for its size. The bright, walk-through cabin and effortless all-round access above deck, coupled with high performance and excellent driveability, make this compact boat a wise choice for leisurely daycruising and overnight excursions. The boat features berths for four, a swim-platform and ample grabrails throughout.

25Ce

AQUADOR 25 CABIN evolution

Modern in the real sense, the 25Ce typifies Aquador's unfailing sense of design and precise thinking in terms of layout, space utilisation and safe access throughout. The wide side doors, two gliding sunroofs and rear bulkhead all open fully to convert the enclosed wheelhouse from a cosy bad-weather retreat into a bright, airy space in a jiffy. This beautiful craft is excellent for coastal hopping or for long excursions.

28C

AQUADOR 28 CABIN

The seductive fusion of power, performance and comfort in this extraordinary cruiser sets it apart from its competitors. Copious features, enclosed in a hull that provides superb directional stability at all speeds, make the 28C an excellent option for those who value thoroughly independent touring. Broad, recessed walkaround decks and ample access ways above and below deck ensure safe and easy movement throughout.

32C

AQUADOR 32 CABIN

The essence of Aquador in its purist form, this majestic cabin cruiser is designed for serious, high-comfort, all-weather cruising. Widely recognised for its high-spec features, outstanding visibility and sumptuous interior, every inch of this ingenious boat is utilised to full effect making each trip an intense experience for family and friends. This truly functional boat provides a soft ride with plenty of power in reserve.

35C

AQUADOR 35 CABIN

Due to be launched in the near future, the prestigious 35C is for those boaters who have earned the right to indulge themselves. Indeed, a simple statement of luxury alone does not adequately explain what's behind this top-of-the-line Aquador. Ideal for safe, independent, all-weather cruising and fitted-out for extreme comfort, the 35C is truly the essence of Aquador's passion for perfection in design, precision engineering and performance.

Length 10.65m, Beam 3.45m.
